

## The Goal and Objectives of the Service

### ▪ Goal of the service

- To foster the development of an **autonomous and responsible spiritual life** among students and their contribution to the **building a harmonious and supportive society**.

### ▪ Objectives of the service

To give the students an opportunity to:

- **reflect and experiment in situations** designed to help them progress freely in their spiritual lives (...with a view to unifying their being in a vision of existence)
- undertake **individual and group projects** likely to improve their community and the society around them (...with a view to developing social conscience)
- build **links between their spiritual life and community involvement**, (...with a view to greater personal unity and social coherence)
