The basic allocation to fund SARCA for adult general education and vocational training is added to the support resources (SR) related to SARCA.

¹ All provisions or additional information pertaining to the programs of study established by the Minister under section 461 of EA, to the evaluation and the certification of learning and to the recognition of learning in accordance with the criteria or requirements established by the Minister under section 469 of EA also apply, adapted as required, to authorized private schools (sections 40, 41 and 43 of APE).
