3 EVALUATION OF LEARNING AND PROVINCIAL REPORT CARD		
3.1 Provincial Report Card		
<p>All schools in Québec have been using a standardized provincial report card since July 1, 2011.</p> <p>Specific formats are provided for the new provincial report card for preschool, elementary and secondary education, respectively. The report cards must include the information set forth in the BSR.</p> <p>Gradual-implementation procedures with regard to the rules for the evaluation of learning for certain subjects will continue for the 2013-2014 school year.</p>	<p>In section 1 of the provincial report card, it must be understood that the information requested regarding the student's name can consist of that student's bar code as well as the name of his/her homeroom teacher or of his/her tutor, in the same way that the information regarding the student's class can also include the identification number of his/her group.</p> <p>The provincial report card is issued for each of the three terms. For each term, the report card must contain a subject mark for each subject taught and the group average.</p> <p>This provision may continue to be implemented gradually for the 2013-2014 school year, with the result that, for certain subjects, a subject mark and group average may not appear on the report card for Term 1 or Term 2. This may happen when an insufficient number of evaluations of learning has taken place during either of these terms. The subjects to which this may apply are listed below.</p> <p>At the elementary school level:</p>	EA, s. 459

	<ul style="list-style-type: none"> • Ethics and Religious Culture • Second language • Physical Education and Health • Arts Education: Drama, Visual Arts, Dance and Music <p>At the secondary school level:</p> <ul style="list-style-type: none"> • Subjects in Secondary I, II and III for which the number of hours of instruction set forth in the BSR is 100 or less 	
	<p>The following procedures must be followed:</p> <ul style="list-style-type: none"> • The gradual-implementation procedures apply to the report card for Term 1 or Term 2, in accordance with the evaluation standards and procedures established by the school. • When the subject mark and group average for these subjects do not appear on the report card for one term, the final mark that appears on the final report card must be out of 100. <p>The weighting for Term 3 (60%) mainly involves the evaluations of learning that the teacher has carried out since the end of Term 2. Where applicable, the evaluations carried out at the end of the school year that cover the entire year's work for that subject may be included, as well as the compulsory examinations set by the school or school board.</p> <p>Furthermore, section 3 of the provincial report card must include, for Terms 1 and 3, comments on two of the following four competencies: exercises critical judgment, organizes his/her work, communicates effectively, and works in a team.</p> <p>However, for the 2013-2014 school year, a gradual-implementation procedure, which is still in effect, allows for the possibility of commenting on only one of the four competencies in the term considered to be the most appropriate.</p>	

PROVISIONS	ADDITIONAL INFORMATION	REFERENCES
3.2 Issuing of the Report Card		
<p>The BSR states that the report cards must be provided at the end of each term, no later than November 20, March 15 and July 10.</p>	<p>Within the prescribed deadlines, the schools determine the dates on which the report cards will be provided. However, when providing student results for the purpose of college applications, it is recommended that the schools provide the results for the first two report cards within the deadlines set by the colleges themselves, to allow students to present as complete and recent results as possible.</p>	
3.3 Possible Exemption From the Provisions Relating to Results in the Provincial Report Card		
<p>The BSR that came into force on July 1, 2011, states that, “A school board may, to the extent and on the conditions determined by the Minister, exempt handicapped students or students with social maladjustments or learning disabilities and students receiving welcoming services and support in learning French from the application of the provisions relating to results in this basic school regulation.”</p> <p>The school board may, in the students’ interest and further to the recommendation of the school principal, exempt handicapped students or students with social maladjustments or learning disabilities from the application of the provisions relating to results in section 2 of the report card prescribed by the BSR.</p> <p>The categories of students with handicaps, social maladjustments or learning disabilities who are eligible for this exemption are set out in points 3.3.1, 3.3.2 and 3.3.3.</p>		<p>BSR, ss. 30.1; 30.2; 30.3 and 30.4</p>

3.4 Operations on a Semester Basis “Operating on a semester basis” is a way of organizing courses whereby the teaching of a subject is concentrated in a shorter period of time than that prescribed in the school calendar.	Schools wishing to operate on a semester basis for one or more subjects may ask their school board to authorize a departure from a provision of the BSR to make it possible to carry out a special school project applicable to a group of students. This departure will exempt the school from having to issue report cards at the end of each of the three terms, as set forth in the BSR, and from the weighting given for each of these terms.	EA, s. 222
4 ADMISSION TO UNIFORM EXAMINATIONS AND CERTIFICATION		
No student may be barred from writing a uniform examination because he/she has not attended a sufficient number of classes or because his/her school marks are too low.		EA, ss. 208 and 231 BSR, s. 31
4.1 Examination Sessions		
MELS holds three examination sessions each year for the examinations set by the Minister for the certification of studies: in January, June and August.	The schedules for the examination sessions will be communicated to the school system in a letter from the Assistant Deputy Minister and will be available on the Web site of the Direction de la sanction des études.	EA, ss. 231 and 470
The dates and times for the uniform and compulsory examinations must be strictly observed. Only the Minister may authorize a change to the schedule.	Measures that adapt the conditions for administering ministerial examinations can be established for students with specific needs, in accordance with the conditions set out in Chapter 5 of the <i>Administrative Guide for the Certification of Studies and Management of Ministerial Examinations</i> .	<i>Administrative Guide for the Certification of Studies and Management of Ministerial Examinations.</i> , section 5.2 <i>Info/Sanction</i> , no. 09–10–021
