

PRIVATE INSTITUTIONS SUPERVISING MUSIC STUDIES

Note to parents

Your child may be eligible to receive secondary school credits for private music studies during the current school year.

In Secondary IV and V, the educational institution sends the student's results to the Direction de la sanction des études, using the Ministère de l'Éducation et de l'Enseignement supérieur (MEES) course code assigned to each of the private institutions supervising music studies for the class in which the student is enrolled.

Please return the completed form and the supporting documents (statement of marks or achievement record) to the principal of the secondary school attended.
