Please provide a certified copy of each of the documents listed below. If certified copies cannot be provided if the candidate presents valid reasons why (e.g. the documents originate from a university or government body that no longer exists; the issuing organization has changed roles; the records were destroyed in a war or natural disaster) the Ministère may, exceptionally, accept sworn copies.

What is a certified copy?

It is a copy that is made from an original document and bears the original signature of a person acting as a legal representative of the organization that issued the document. This person must print his or her contact information in block letters on the copy (name, title or function, address and telephone number where Ministère can reach him or her).

What is a sworn copy?

It is a copy which the holder has declared, under an oath before a Commissioner for Oaths, to be a true copy of the original document. A person acting as a commissioner for oaths in Québec or outside the province (<http://www.assermentation.justice.gouv.qc.ca/ServicesPublics/Accueil.aspx>) must print his or her contact information in block letters on the copy (name, title or function, address and telephone number where the Ministère can reach him or her).

If your documents are in a language other than French or English, please attach a certified copy of the translation to the certified copy of the document issued in the original language. The translation must be produced or verified by a certified translator, for example by a member of the Ordre des traducteurs, terminologues et interprètes agréés du Québec (www.ottiag.org).
