You must meet the age requirement by the time the course begins. Please pay special attention to the date classes start, as well as the type of accommodation offered. Once bursaries are awarded, switching sessions or institutions is permitted only in exceptional cases and with the authorization of the Council of Ministers of Education, Canada (cmec).

**SPECIAL CASES:** For special cases (disability, need for medical care, etc.), you must contact your host institution as soon as you receive the e-mail informing you of the status of your application. Please note that you may be assigned to an institution other than the one you have chosen, which will be better able to assist you.
