Budget measures

Your organization can use the allocation under the following **budget measures** to cover the attendance costs for staff who participate in Digital Education Day.

Public sector:

Measure 15084 – Formation continue du personnel enseignant sur l'usage pédagogique des technologies numériques

Private sector:

Measure 30150 – Formation continue du personnel enseignant sur l'usage pédagogique des technologies numériques et leadership pédagonumérique

These measures can be used to:

- release teaching staff who participate in professional development activities
- pay for school staff training activities

If these situations do not apply to you, please contact your school administrator for more details.

Professional development

Your participation in DED III will contribute to the development of Competency 12, *Mobilize digital technologies*, listed in the *Reference Framework for Professional Competencies for Teachers*.

You will be able to include this professional development day in your continuing education plan.
